**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

What is happening to FREE ENTERPRISE!

Do not allow US Telecom to take away access to last-mile copper and intercity fiber. We changed our internet company from Spectrum to Acorn because our monthly prices were becoming unaffordable.

Without competition AT&T will squeeze out competition and our monthly prices will again become unaffordable.

We are retired seniors. We cannot afford escalating broadband prices.

Say no to US Telecom.
